3420
3421 Deprecated Gradle features were used in this build, making it incompatible with Gradle
      9.0.
3422
3423 You can use '--warning-mode all' to show the individual deprecation warnings and
      determine if they come from your own scripts or plugins.
3424
3425 For more on this, please refer to
      https://docs.gradle.org/8.14.3/userguide/command_line_interface.html#sec:command_line_war
      nings in the Gradle documentation.
